

It's important to make an informed decision before taking a lump sum withdrawal or rolling over your super to another fund. We've provided some additional information to help you.

Things to consider

Before you access your super, you should also consider:

- Your account may include insurance cover. If it does, your insurance cover will cease if you close your account
- Tax may apply upon taking a lump sum withdrawal or rolling over your super to another fund, depending on your circumstances and your scheme
- It may take up to 10 working days to process your lump sum withdrawal
- We may require certified identification and a copy of your bank statement

Unique features of West State Super

West State Super provides you with some unique benefits that are generally not available with other super funds.

West State Super is a closed scheme. If you choose to close your account, you can't re-join later.

Here are some of the unique benefits:

It's an untaxed scheme	Unlike other super funds, tax isn't paid on any contributions or investment earnings while the money accumulates. This is often referred to as 'deferred tax' because tax is payable on your benefit when it's paid to you.
Your investment earnings are reported before tax	Having your super invested in an untaxed scheme means that you earn pre-tax investment returns on the full amount of your contributions over the life of your super account.
Your contribution caps are different	You have an untaxed plan cap, which means you can accumulate up to a maximum of \$1.480 ¹ million in concessional taxed benefits in your West State Super account, while with other funds you're limited to contributing \$25,000 ² in concessional contributions each financial year.
You have unique insurance arrangements	You might be able to access your super benefit if you become partially and permanently disabled (an option not available with most other super funds). You may also have additional statutory insurance.
You might have a Minimum Benefit Guarantee	This may apply to you if your account was opened before July 2001. For more information, see our website at gesb.wa.gov.au/weststatesuper .

You can read more about the unique features of West State Super at gesb.wa.gov.au/weststatesuper.

Depending on your scheme, for more information, please read the '**GESB Super Product Information Booklet**' or the '**West State Super Product Information Booklet**' at gesb.wa.gov.au/brochures.

- You're a temporary resident permanently departing Australia

For more information about accessing your super refer to the relevant Product Information Booklet, available at gesb.wa.gov.au/brochures.

Section 2 When you can roll over your super

Section 3 Partial transfers and Mix Your plan

If you have chosen the Mix Your plan investment option and you're requesting a partial benefit transfers, your benefit will be paid proportionally from each of the Mix Your plan asset classes in which you are invested.

Section 4 Tax and your super benefit

As GESB Super is a taxed scheme, tax is paid on contributions and income tax is paid on investment earnings.

As West State Super is an untaxed scheme, any tax payable is applied to your benefit when it is paid to you as a lump-sum amount. If you roll over your benefit over to our Retirement Income Pension or another complying fund, tax may be payable on some or all of your benefit.

The tax treatment of super is complex and subject to change, so it's important you understand the impact tax will have upon your total benefit before making your final decision. You may wish to talk to your Member Services Centre for tax details that may apply to your benefit before completing this form.

If you have transferred a UK pension to us, it is important to be aware of the tax implications associated with this transfer.

For more information, please contact your Member Services Centre on 13 43 72.

If you intend to split eligible contributions to your spouse's account before rolling over or withdrawing your benefit, please complete a **'Contribution splitting application'** form and attach it to this form when you return it to us.

West State Super members

Due to Federal Government changes to the rules relating to super, West State Super members are not eligible to claim a tax deduction for personal contributions made after 30 June 2017 to a West State Super account.

GESB Super members

If you plan to claim a tax deduction for money contributed to your account, please ensure you have finalised this process before completing this form. More information is available in our **'Contributing to your super'** brochure, or by calling your Member Services Centre on 13 43 72.

Gainful employment means being employed or self employed for gain or reward in any business, trade, profession, vocation, calling, occupation, or employment. It does not include passive receipt of income.

Section 8 Surcharge liability

If you have been notified by the Australian Taxation Office (ATO) that you have a Superannuation Contributions Surcharge Liability, you can request that a part of your final benefit is withheld so that you can pay your final assessment from your before-tax benefit.

Before we can finalise payment in relation to your surcharge liability, you must forward us a copy of the final assessment issued to you by the ATO. The ATO will generally send this to you shortly after you receive your benefit payment. When you receive your final ATO assessment, forward a copy to us and we will then issue a cheque to the ATO for this amount that we will send to you. You will need to send this cheque to the ATO to settle your surcharge liability. We will forward to you any balance remaining from the withheld amount.

To qualify for the surcharge assessment to be paid from your before-tax benefit, the amount must be paid from a pension account. Therefore eligible members will have their withheld amount transferred to a pension surcharge liability account, which will be closed upon final payment to the ATO.

If you do not contact us to finalise your surcharge payment within two years of receiving your benefit, we will pay the withheld amount directly to you.
