It's important to make an informed decision before rolling over your super to another fund. We've provided some information to help you.

Things to consider

Before you access your super, you should also consider:

- Your account may include insurance cover. If it does, your insurance cover will cease if you close your account
- Tax may apply upon rolling over your super to another fund, depending on your circumstances and your scheme
- It may take up to 10 working days to process your roll over request
- We may require certified identification and a copy of your bank statement

Unique features of West State Super

West State Super provides you with some unique benefits that are generally not available with other super funds.

West State Super is a closed scheme. If you choose to close your account, you can't re-join later.

Here are some of the unique benefits of West State Super:

| | |
|--|--|
| It's an untaxed scheme | Unlike other super funds, tax isn't paid on any contributions or investment earnings while the money accumulates. This is often referred to as 'deferred tax' because tax is payable on your benefit when it's paid to you or rolled over to a taxed super fund. |
| Your investment earnings are reported before tax | Having your super invested in an untaxed scheme means that you earn pre-tax investment returns on the full amount of your contributions over the life of your super account. |
| Your contribution caps are different | You have an untaxed plan cap, which means you can accumulate up to a maximum of \$1.935 ¹ million in concessional taxed benefits in your West State Super account, while with taxed funds you're limited to contributing 32,500 ² in concessional contributions each financial year (assuming you have no unused concessional (before tax) contributions cap carry-forward amounts available). |
| You have unique insurance arrangements | You might be able to access your super benefit if you become partially and permanently disabled (an option not available with most other super funds). You may also have additional statutory insurance. |
| You might have a Minimum Benefit Guarantee | This may apply to you if your account was opened before July 2001. For more information, see our website at gesb.wa.gov.au/weststatesuper . |

You can read more about the unique features of West State Super at gesb.wa.gov.au/weststatesuper.

Depending on your scheme, for more information, please read the *GESB Super product information booklet* or the *West State Super product information booklet* at gesb.wa.gov.au/brochures.

- 1 For the 2026/27 financial year, indexed annually in line with Average Weekly Ordinary Time Earnings, in increments of \$5,000 rounded down.
- 2 For the 2026/27 financial year. The concessional contributions cap is indexed in line with the Average Weekly Ordinary Time Earnings, in increments of \$2,500 rounded down.

Complete this form to withdraw part or all of your benefit as a roll over to another GESB account or complying super fund. You can also roll over your benefit online using the Australian Taxation Office's (ATO's) MyGov service at ato.gov.au/superonline.

Your account may include insurance cover. If it does, this cover will cease if you make a full transfer. If you think you might make an insurance claim, please contact us before you submit this form.

Partial transfers

Partial transfers must be for \$1,000 or more. If you request a transfer from your account, you must maintain a minimum balance of \$1,000 in your account for it to remain open.

If you request a transfer which would reduce the balance below this amount, the request must be for the whole balance, which will close your account.

Please note, if you're withdrawing your full benefit, please ensure your employer has paid all your required contributions before applying for your benefit. If we receive contributions from your employer after your account is closed, a new GESB Super account will be created for you and you may automatically be provided with insurance.

Section 1 When you can roll over your super

You can roll over your benefit to another complying super fund at any time.

Section 2 Partial transfers and investment options

If you have chosen more than one investment option and you're requesting a partial benefit transfer, your benefit will be paid proportionally from each option in which you are invested.

Section 3 Tax and your super benefit

As GESB Super is a taxed scheme, tax is paid on contributions and on investment earnings as the money accumulates.

As West State Super is an untaxed scheme, any tax payable is applied to your benefit when it is paid to you as a lump-sum amount. If you roll over your benefit to our Retirement Income Pension or a taxed super fund, tax will be payable on the untaxed element of your benefit.

The tax treatment of super is complex and subject to change, so it's important you understand the impact tax will have upon your total benefit before making your final decision. You may wish to talk to your Member Services Centre for tax details that may apply to your benefit before completing this form.

If you have transferred a UK pension to us, it is important to be aware of the tax implications associated with this transfer.

For more information, please contact your Member Services Centre on 13 43 72.

If you intend to split eligible contributions to your spouse's account before rolling over or withdrawing your benefit, please complete a *Contribution splitting application form* available at gesb.wa.gov.au/forms and attach it to this form when you return it to us.

West State Super members

Due to Federal Government changes to the rules relating to super, West State Super members are not eligible to claim a tax deduction for personal contributions made after 30 June 2017 to a West State Super account.

GESB Super members

If you plan to claim or make a variation on an existing tax deduction for money contributed to your account, please ensure you have finalised this process before completing this form. More information is available in our *Contributing to your super brochure* available at gesb.wa.gov.au/brochures, or by calling your Member Services Centre on 13 43 72.

Section 4 Provision of information regarding your benefit

Please note the following in relation to the information we have regarding your benefit:

- Previous financial information relating to your member account was provided by us in good faith and was believed to be reliable and accurate at the time of preparation
- Your latest member statement or benefit estimate is based on current information we obtained from your employer
- Benefit estimates may change if your employer provides different advice to us about your employment details
- We cannot be held responsible for any incorrect information provided by your employer

If you believe any information provided to us by your employer may be incorrect it is important that you contact your employer or your Member Services Centre prior to completing this form.

Section 5 Financial advice

The information contained in this form is of a general nature, and does not constitute legal, taxation or personal financial advice. In providing this information, we have not taken into account your investment objectives, financial situation or needs. We are not licensed to provide financial product advice. Before acting or relying on any of the information contained in this form, you should read the relevant Product Information Booklet available at gesb.wa.gov.au/brochures, and consider seeking professional financial and taxation advice to ascertain whether the information is appropriate for you.

Section 6 Surcharge liability (West State Super members only)

If you have been notified by the ATO that you have a Superannuation Contributions Surcharge Liability, you can request that a part of your final benefit is withheld so that you can pay your final assessment from your before-tax benefit.

To finalise your surcharge liability, please forward a copy of your final assessment from the ATO, which is typically issued the month after your benefit payment was paid. Upon receipt, we will mail you a cheque made out to the ATO for the assessed amount. You will then need to send this cheque to the ATO to settle your account. Any balance remaining from the withheld funds, less applicable tax, will be forwarded to you.

To qualify for the surcharge assessment to be paid from your before-tax benefit, the amount must be paid from a pension account. Therefore eligible members will have their withheld amount transferred to a pension surcharge liability account, which will be closed upon final payment to the ATO.

If you do not contact us to finalise your surcharge payment within two years of receiving your benefit, we will pay the withheld amount directly to you as a lump-sum payment, less any applicable tax.

Section 7 Disclaimer

While every effort has been made to ensure the accuracy of information contained within this form, we make no warranty as to the accuracy or completeness of this information, subject to any rights and terms implied by law.

This form is not a substitute for the *State Superannuation Act 2000* and the *State Superannuation Regulations 2001*, which govern the super schemes administered by us.

Benefits can only be paid in accordance with the provisions of the State Superannuation Act and Regulations. To the extent permitted by law, we accept no liability for loss or damage to any person, however caused (including negligence) which may be directly or indirectly suffered in connection with use of the information contained in this form. We reserve the right to change any of the information or representations contained in this form at any time without prior notice, subject to any legislative restrictions.

Section 8 Providing your tax file number (TFN)

Before providing us with your TFN please note:

We are authorised to collect your TFN for certain purposes, however you are not required to provide your TFN to us.

We may disclose your TFN to other super funds, when your benefits are being transferred, unless you request in writing that we don't.

It is not an offence for you not to provide us with your TFN. However, giving your TFN to us will have the following advantages (which may not otherwise apply):

- We will be able to accept all types of contributions to your account(s)
- The tax on contributions to your super account(s) will not increase
- Other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your super benefits
- It will make it much easier to trace different super accounts in your name so that you receive all your super benefits when you retire

Section 9 Transfers to Self Managed Super Funds (SMSFs)

Your benefits will be rolled over using Superstream. This means that your SMSF will need:

- An Electronic Service Address (ESA)
- An Australian Business Number (ABN)
- To ensure the SMSF details recorded at the ATO are up-to-date, including bank account details

SMSF trustees may need to consider appointing a professional to assist them in meeting these requirements.

You must also provide a copy of your SMSF bank account statement. This information will assist us to manage the security within the rollover transaction. We will not be able to process your request until these documents have been provided. Please note, if you are providing an internet bank statement, it must show your bank name and logo. If it doesn't, you must add your signature, printed name and date to the page.

Note: we have a Privacy Statement that explains how we handle private information about individuals responsibly. Our Privacy Statement is available on our website at gesb.wa.gov.au/privacy or can be obtained by contacting your Member Services Centre on 13 43 72.
