GESB can be your fund of choice even if you're working outside the Western Australian (WA) public sector. Simply complete this form and give it to your employer. Don't send it to us or the Australian Taxation Office.

About this form

Use this form to nominate GESB to receive your employer super contributions from your private sector employer (non-government employer¹).

Before you start

It is important to know that your non-government employer¹ contributions can only be directed to a GESB Super account. This means that if you are a West State Super, Gold State Super or Retirement Income Pension member and you don't already have a GESB Super account, one will be opened for you when we receive your first non-government employer¹ contribution.
