

GESB – a super choice for your future

We understand a quality retirement is what's important

You build your super over a lifetime and you need a fund you can rely on to be with you for the journey. At GESB, our purpose is to help our members achieve a quality retirement, so you can rest assured we will look after your super - and your future - with excellence.

Competitive long-term performance

Not only do we consistently deliver competitive long-term returns for our members¹, but we're committed to responsibly managing our investments. This means we take environmental, social and governance (ESG) factors into consideration across our entire investment portfolio.

Low fees

Small differences in fees and charges can have a big impact on your super, which is why we pride ourselves on having fees that are below the industry median. Our low fees mean more of our members' money stays invested in their future².

Insurance you can rely on

GESB is the super fund for the WA public sector and ensures the insurance in superannuation we provide is appropriate for all WA public sector employees. This means GESB insurance will pay you a benefit if you meet the claims criteria, even if you're a Police Officer, teacher, registered nurse, fire fighter, security guard or train driver.

We put members first

Our members are our priority. We advocate for you when it comes to your super and insurance and provide the support you need to make informed decisions about your future.
